

Curved Lines (Multiple Motions)

- Instruct the children how to cut these curved lines using multiple cutting motions. Show them how to turn the paper with one hand while cutting with the other.
- Have the children practice cutting both solid and dotted curved lines.

Straight Lines (Multiple Motions)

- Instruct each child how to cut these straight lines using multiple cutting motions.
- Have the children practice cutting both solid and dotted lines.

Handwriting practice area consisting of 10 horizontal lines. The first 6 lines are solid black lines. The last 4 lines are dashed black lines.

Zigzags

- Show the children how to cut along these angled lines by stopping the cut and changing direction. Encourage them to turn the paper with one hand while they cut with the other.
