FARM ANIMAL PUPPETS

With these easy -to-make patterns, your students will be able to make 20 paper bag puppets for Farm Animals as well as the Farmer's family!

You can print out a color copy and laminate it for a teacher sample or for use year after year in a Farm Animal play center.

MAKING PUPPETS

1. Color in both parts of the puppet (head and body) using crayons, colored pencils, watercolor paints, etc.
2. Carefully cut out the two parts of the puppet on the solid outline.
3. Glue the head of the puppet onto the bottom flap of a paper lunch bag.
4. Glue the body of the puppet on the bag with the inside of the mouth under the flap. The tongue should be visible only when the mouth is open.
5. You may also wish to cut out the name of the animal and glue it to front or back of the puppet.

6. Customize your puppet by adding glitter, buttons, yarn, cotton balls, etc.

WRITING

We have included special stationery to fit on the back of each paper bag puppet. There are two sheets on the page. Simply cut them out and glue to the back of the bags. Have students practice writing that puppet's name ("pig," "cat," etc.), simple sentences about the animal depicted ("The dog is big."), or an entire story about their puppet.

FARM PUPPETS

The following are the puppets included in this title:

Bull, Cat, Chick, Cow, Dog, Duck, Egg, Goat, Hen, Horse, Mouse, Pig, Rabbit, Rooster, Sheep, Turkey, Farmer, Farmer's Wife, Farmer's Daughter, Farmer's Son

CLASSROOM USE

Use these puppets to act out familiar

farm stories such as "The Little Red Hen," "The Big Turnip," "The Three Little Pigs," "Chicken Little," "The Three Billy Goats Gruff," "The Ugly Duckling," "The Boy Who Cried Wolf," among others. Have the students hold up these puppets when singing Farm Animal songs such as "Old MacDonald Had a Farm," "The Farmer in the Dell," etc.
