Fall Harvest

Beginning Sounds

Print the letter work mats (I cut them as a strip but leave a border, laminate, and tape them together in one long strip.) Cut the pumpkin cards. Cut and laminate.

To play this game the children choose a pumpkin card. (you can store them in a cute fall themed recipe box or basket from the craft or dollar store.) Next, they say the name of the picture on the pumpkin and decide which letter it begins with. Place the pumpkin card on the letter it begins with on the letter strip. Play until all of the pumpkins have been matched with a letter.

This can be played individually or with a partner.

Here is a variation: Place the letter strip on a magnetic board. Place small adhesive magnets on the back of the pumpkins. Place the pumpkin cards in a pumpkin basket. Each day of October have a child choose a pumpkin and place it on the letter strip. My students LOVE this one!!
