

# Fall Leaves Sensory Booklet

What I feel... 

When I step on leaves

When I crumple them in my hand

When I rub them with my fingertips

What I smell... 

Write or draw what you think the leaves smell like.

Using My Senses with Fall Leaves

Name: \_\_\_\_\_

What I see... 

Colors

Size  
Big or small?

Smooth edges  
or pointy edges?

What fall leaves is... 

What fall leaves sound like... 

When I crumple them in my fingers

# Thank You for your purchase!

Guide students through a sensory experience with fall leaves! Simply cut and staple the pages together to create booklets for students to record what they see, smell, hear, and feel as they explore fall leaves.

If you enjoy this printable,
